TERMS AND CONDITIONS

<p>QUOTES. All orders are inspected and a quote is provided for your approval before production begins.</p>
<p>DEPOSIT. A 50% deposit is required upon approval, balance due upon delivery.</p>
<p>DECLINED. If the quote for a large order is declined due to the quoted cost, a labor fee of \$50 for the inspection process may apply. This will be advised prior to starting the quote process If applicable.</p>
<p>DELIVERY TIME. We will give you an estimated delivery window. However once work begins, depending on the age and condition of your media, we sometimes find the materials may need more TLC than anticipated, and thus delivery times will be extended.</p>
<p>ADDITIONAL COSTS. We will contact you for approval if it is discovered during the labor process that more time or material is needed which affects costs.</p>
<p>CANCELLATION. If the order in process is cancelled due to additional costs, the fee for any deliverables completed to date applies. If any deliverables were already completed, they shall be delivered, and the deposit shall be refunded less the value of the completed deliverables/less up to \$150 retained by David Fox Digital Transfer Services. If the deposit paid does not cover the completed deliverables, the balance due shall be paid at the time of the return of Client's materials.</p>
<p>CLIENT AND PHOTOGRAPHER USAGE. The Client owns the restored media and may use it for any desired purposes without restriction in perpetuity. David Fox Digital Transfer Services may use the restored media as samples of their work on their website and on social media, but shall not relicense or re-sell the media. The Client may restrict any uses of the restored media by initialing here: _____.</p>
<p>ARCHIVES. The photographer retains the digital media on a hard drive for a minimum of 30 days following delivery. It is strongly recommended that the Client promptly review the delivered media. As well, to protect against data loss, it is strongly recommended that the Client promptly make a back-up copy of the transferred media onto another drive, or order additional flash drive copies and safely store them in multiple locations.</p>
<p>RELEASE OF LIABILITY. David Fox Digital Transfer Services and their trusted Pro Lab take great care in the handling of all Client data, media and materials (henceforth referred to as materials). However, all materials have the potential to deteriorate over time. By presenting materials for digitization, the Client agrees that David Fox Digital Transfer Services and their trusted Pro Lab are not liable for any damage to or loss of the Client's materials that may occur due to factors including, but not limited to, age-related deterioration, machine, hardware or software malfunction, shipping or handling.</p>
